

The University Center of Lake County delivers higher education programs to the citizens of Lake County. Through the collaborative effort of our member institutions, the University Center provides a number of bachelor's completion programs as well as graduate and professional development opportunities. Courses are offered in our Grayslake and Waukegan facilities, at the Great Lakes Naval Training Center, and through the convenience of online study. Pre-admission advising is available to prospective students. Students are encouraged to contact Tonia Baxter, Advisor, for University Center of Lake County at (847) 665-4014 for appointments and/or additional information. For additional transfer guides, please visit [www.ucenter.org](http://www.ucenter.org).

## Transfer Guide for Southern Illinois University Carbondale Industrial Technology

### Program Description

Southern Illinois University Carbondale offers programs of studies leading to the final two years of a Bachelor of Science degree in Industrial Technology. This degree provides an essential foundation in industrial technology and offers a blend of advanced technical and managerial course work for students pursuing careers in manufacturing as well as in a wide variety of service businesses.

### Program Highlights

Accelerated format	Major course work can be completed in 24 months
Class format	Face-to-face instruction of 15 accelerated lecture courses; meeting for 3 weekends; Saturday and Sunday
Credit Evaluation	Evaluation of credit earned at other accredited institutions. Credit awarded for military and corporate/occupational training and work experience.
Credit by Examination	Credit can be earned through CLEP, DANTES, and some other proficiency examinations.
Capstone Option	For eligible students, credit awarded for Associate in Applied Science degree (minimum 60 hours and 2.25 GPA)
Financial Aid	Student loans, federal Pell Grants, GI Bill, and Illinois Veterans Grant benefits

### Admission Requirements

- 60 semester credit hours, with a 2.00/4.00 cumulative GPA
- Completion of University Core Curriculum (The Associate in Arts and Associate in Science degrees from the College of Lake County will fulfill the University Core Curriculum requirements required for general graduation purposes at SIUC.)
- The Capstone Program provides full recognition of the Associate in Applied Science degree and similar two-year occupational programs by outlining a 60 semester hour baccalaureate program for those who qualify.
- All other two-year associate degrees or certificates programs will be evaluated on a course by course basis.

### Application Procedure and Tuition

- Submit completed off-campus admission application with a \$30.00 application fee
- Submit official transcripts from all previous college work.

COME HERE. GO FAR.

**Southern**<sup>™</sup>  
Illinois University  
Carbondale

### Graduation Requirements

- 48 semester hours of major coursework
- 24 semester hours of Approved Career Electives
- 48 semester hours of University Core and Departmental courses
- A minimum of 120 semester hours, 60 of which must be earned at a senior-level institution
- A "C" average (2.0 GPA on a 4.0 scale) for all work taken at SIUC
- A "C" average within the 48-semester hour major.

The following are the SIUC requirements/ courses and their CLC equivalents. The Associate in Arts and Associate in Science degrees from the College of Lake County will fulfill the University Core Curriculum requirements required for general graduation purposes at SIUC. Students who have earned an Associate in Applied Science degree related to Industrial Technology with a grade point average of 2.25/4.00 or better that included technical course work related to Industrial Technology may be admitted to the Capstone Option. Detailed requirements for this special option can be found in the current SIUC Catalog.

*This transfer guide is designed to assist students with their academic planning. Every effort is made to maintain accurate information; however, this information is subject to frequent change. Students should contact the member institution to keep informed of changes, as final responsibility for verifying information rests with the student.*
