

UNAM-USA
CHICAGO

THE UNIVERSITY CENTER OF LAKE COUNTY'S EDUCATORS' CENTER and UNIVERSIDAD NACIONAL AUTÓNOMA DE MÉXICO SPANISH AND LATINO CULTURE FOR EDUCATORS

Program Overview

This is a two-hour introduction to *Spanish for Educators* and *Cultural Dynamics of Latino Students and Parents*.

Objectives

- Gain an understanding of different approaches to learning Spanish for the classroom setting.
- Express your own expectations of such programs
- Begin to acquire school-related vocabulary: classroom objects, class management, school and building vocabulary, subjects, students' interests, days and months, numbers, colors and more.
- Learn key phrases and commands to improve classroom management
- Discover individual strengths and opportunities in learning a new language
- Identify and analyze cultural differences in Latino students as they relate to the school setting
- Learn how to create and use rapport-building dialogues and materials to engage Latino students
- Understand the role of the educator in Latino cultures

Who Should Attend

This workshop is designed for school teachers and administrators who work with or intend to work with Latino students and parents.

Scheduling:

Scheduled upon request, this professional development offering can be customized to meet the needs of your school or school district. Also available in 1 or 1.5 hour formats.
