UPCOMING EVENTS

Throughout the year, the University Center hosts events designed to showcase all the academic programs offered through the Center. At each event, representatives from the various programs are available to talk one-on-one with interested students. Refreshments are served.

In addition, individual member programs frequently host information sessions to provide details about their specific degree or certificate. Students can learn about admission requirements, financial aid opportunities, curriculum, and course scheduling. For a schedule of University Center open houses and member program information sessions, visit <http://ucenter.org/prospective-students/information-sessions/> or friend the University Center on Facebook.
