10 semester hours are required for each certificate.

FINANCIAL AID INFO:

North Park offers one of the most comprehensive scholarship programs for part-time graduate students in the U.S. Eligibility for scholarships does not require a separate application and you will automatically receive the highest scholarship for which you qualify. Scholarships for high GMAT/GRE scores and/or high cumulative GPAs range from 10-30% of the cost per course, depending on score or GPA. An Armed Forces Scholarship reduces tuition by 20% for active duty military members, full-time National Guard, and their spouses. An Axelson Scholarship reduces tuition by 35% for full-time employees of nonprofit organizations or those who completed a successful tour of service with the Peace Corps or AmeriCorps. A Married Couples Scholarship reduces each course by \$100 when both spouses are registered in the same term. Federal Stafford Loans and convenient payment plans are also available.
