The Health Care Management (HCM) Bachelor of Science degree program with SIUC is designed to build upon the work experience and teach additional skills in the areas of management and supervision. This is a career-oriented degree program that meets the needs of and grants credit to individuals who have healthcare-related work experience and/or technical certification training from military schools, technical institutes or industry training programs. Many HCM graduates obtain supervisory and managerial positions in various health and medical facilities such as hospitals, nursing homes, public health departments, health care training institutions or HMOs.

ADMISSION REQUIREMENTS:

- a. Minimum GPA 2.0/4.0 (2.25/4.0 and AAS in related field to apply for Capstone program)
- b. Background in health care
- c. Healthcare related goals
- d. Minimum 26 semester hours of previous college credit
- e. Must have English 101 with a minimum grade of "C" and Prerequisites—Statistics, Accounting. Also recommended: Anatomy & Physiology, Medical Terminology, Intro to Computers, and Microeconomics.

COST:

\$225 per semester hour; \$675 per course

REGISTRATION PROCEDURE:

Through the SIUC office at the Great Lakes Naval Station

ACADEMIC CALENDAR:

Summer, Fall and Spring semesters; each semester runs between 14 and 16 weeks

DELIVERY MODE:

The 48 semester hour HCM major is offered via weekend and independent study courses on a 16 month (4 semester) cycle. Students may enter during any semester. Each semester includes 3 classroom courses and 1 independent study. Classroom courses meet every other weekend on Saturday & Sunday from 8 am to 5 pm for 3 weekend sessions.

LOCATION(S) OF COURSES:

Great Lakes Naval Station

TEXTBOOK PURCHASE:

Textbook lists are provided and students can purchase from the vendor of their choice

TRANSFER HOURS POLICY:

Transfer credit can include courses from regionally-accredited institutions, military experience, military technical schools, CLEP and DANTES exams and related work experience. Contact program advisor for details.

Total hours needed for degree:

HCM Major Course Work	48 SH
University Core Curriculum	41 SH
Approved Career Electives	31 SH

**The minimum 120 SH required for the degree must include a minimum of 60 SH from a senior (four-year) institution. Requirements differ slightly for the Capstone program. Contact program advisor for details.

FINANCIAL AID INFO:

Students may apply for all forms of financial aid available through SIUC, including military tuition assistance. SIUC staff at Great Lakes will assist students in applying for financial aid.
